有關骨灰龕政策檢討公眾諮詢文件，本人有以下意見

一. 就違規骨灰龕場執法問題：

1. **While the dispute is pending, the court to issue injunctions to those illegal columbarium operators immediately to prevent further damage of the environment, as well as come up with compensation to the public and consumers who have been misled to make illegal purchases.**
2. XXX

二. 就骨灰龕位供應方面：

1. **The establishment of columbaria near residence, schools and monasteries will create nuisance and discomfort to most individuals, PLEASE CONSIDER OTHERWISE.**
2. XXXX

三. 就鼓勵宗教團體提供骨灰龕的問題：

1. **Columbaria/Grave is one of the basic wants of EVERY individual who prefers bodily remains to be kept. If it is to be shouldered by religious organization, then it should go hand-in-hand with the provision of maternity hospitals for their believers to give birth.**
2. XXXX

四. 其他意見：

1. **Government please act immediately**
