Hi there

Personally, we need more of the 骨灰龕 anyway, so if they will not affect the life of the neighbourhood, it should be the plan.

My one and only comment is - since we are all talking about 活化工廠大廈 at the same time, why can't we use some of these building and turn them to be the 骨灰龕?? We could even use just the top floor and leave the rest to rent out for some other use. 工廠大廈 normally are surrounded by other 工廠大廈 and it seems to me will have relatively a lot less affect on the mind set of the Chinese people in general. Also, 工廠大廈 area is normally more busy during the weekdays but people would visit the 骨灰龕 during the weekends. It really seems to me it is good for the traffic arrangement as well.

That's all from me. Thank you. Cheers,

Carol
