Unless the organiser is Liquor License holder, otherwise it is not possible for the organiser to apply for a TLL for the event.</p> <p data-bbox="365 747 1321 917">In most cases, these events last for no more than a few days, a special class of TLL be created for event last no more than a week, the organiser without a Liquor License can still be eligilbe to apply in order to faciliate the development of the industry here in Hong Kong.</p>
