Dear Sir/ Madam,

This is my point of view:

Chapter 4 The licensing period should be at least 20 years. They should use wholly owned premises or land for the collabarium.

20 years at least can provide a reasonable time period for the descendents to rest their minds for the use of collumbarium. It also gives the investor confidence for continue improvement to the service provide.

Chapter 5 No merit for pre existed illegal collumbaria.

Chapter 7 transition period should be as short as possible. Thats why licensed collumbarium is necessary

Thanks and regards,

Winnie
