Assistant Secretary for Food & Health (Food)3
Food & Health Bureau

Dear Sir/Madam,

I would like to propose my following view points:

- 1) Chapter 3: The establishment, role and function of the Licensing Board for Private Columbaria is totally supported.
- 2) Chapter 4: a) The number of niches regards as a Private Columbarium is any number greater than 5.
b) The licensing period for the operator should not be lesser than 20 years in order to protect the consumers' benefits.
c) Right of Use Premises should be self ownership by the operator so that the change will be minimum.
d) At least 5 % of the Sales volume should be reserved as Management fund.
e) Prior arrangement in case of cessation should be mandatory as Mode of operation.
- 3) Chapter 5: a) No exemption should be given to all operators including those pre-existing columbaria.
- 4) Chapter 7: Duration of transition period should be as soon as possible and not more than 12 months.
- 5) Conclusion: The enforcement of the licensing conditions to the operators of private columbaria will be good to HKSAR.

Many Thanks.

A Citizen.
