

**Table**

The walk-in discounts offered by oil companies to drivers in the past 5 years (i.e. 2020 - 2024) are analysed as follows<sup>Note:</sup>

Year	Unleaded Petrol		Diesel	
	Average difference between the highest and the lowest discounts (\$)	Average difference as a percentage of the average pump price (%)	Average difference between the highest and the lowest discounts (\$)	Average difference as a percentage of the average pump price (%)
2020	2.2	12.5	2.6	18.3
2021	3.0	15.2	2.6	15.6
2022	4.0	17.5	2.6	12.6
2023	5.4	22.6	4.3	19.6
2024	5.6	22.1	2.8	11.5

Note: The above analysis compares the difference between the highest and the lowest walk-in discounts offered by respective oil companies on the last day of each month. The designated membership discounts, credit card discounts, membership card discounts, etc. offered by each oil company are not included.
